

Insulation Mat

P/N 39539 • *Contact Us For Pricing*

FUNCTION

This electrical insulation mat is an ideal means for adding a level of operator safety. The mat isolates the operator from ground while testing, which greatly mitigates the shock hazard.

COMPLIANCE

- ASTM D178 Type II, Class 2
- Type II includes:
 - A - Ozone Resistance
 - B - Flame Resistance
 - C - Oil Resistance

SPECIFICATIONS

- 1/4" (6.35 mm) thick
- Dimensions 3' x 3' (91.44 x 91.44 cm)
- Proof test: 20,000 volts
